★ PEACE AND FREEDOM PARTY ★

The Peace and Freedom Party is a working-class party in a country run by and for the wealthy and their corporations. We should not have to sacrifice our health, our livelihoods and our planet for our bosses' profits. We can tax the rich, whose wealth is entirely created by workers, to pay for the people's needs. We favor:

- Bringing all troops home now.
- Ending all discrimination.
- Full rights for immigrants.
- Free health care for everyone.
- Good services for disabled people.
- Restoring and protecting the environment.
- Real democracy and fair political representation.

Peace and Freedom Party
P.O. Box 24764, Oakland, CA 94623

- Free education for all from preschool through the university.
- Decent jobs and full labor rights for all.

As long as our system puts the wealthy first, we will suffer war, police brutality, low wages, unsafe workplaces and pollution. We advocate socialism, which we see as the ownership and democratic control of the economy by working people. If we join together to take back our industries and natural resources, we can work together democratically and cooperatively for the common good, rather than being slaves to the rich and their corporations.

Vote for those who speak up for your own needs, the candidates of the Peace and Freedom Party.

★ LIBERTARIAN PARTY ★

Libertarian solutions are the most practical and workable for strengthening our economy and governing our state. If they had been employed during the last decade, our state would be strong and not in a deficit. Thus, Libertarians work to:

- Reduce government spending;
- Promote business development, which will create jobs;
- Reform public employee pensions, which are bankrupting cities, counties and the state;
- Privatize services that are best delivered by cost-

effective providers;

- Guarantee equal treatment under the law for all Californians;
- Strictly regulate, control and tax marijuana for adults, thus making it less available for children; and
- Reduce sessions of the Legislature to every other year.

The Libertarian Party has candidates who will bring about these reforms, but first they need your support this November.

POLITICAL PARTY STATEMENTS OF PURPOSE

★ DEMOCRATIC PARTY ★

The Democratic Party is building a healthier future for our state and improving the quality of life for all Californians.

California Democrats were key in helping President Obama pass health insurance reform, ending the insurance company practice of denying coverage to children because of pre-existing conditions and lowering the cost of health care for millions of Americans.

We support Barbara Boxer and Jerry Brown because they are *proven leaders* who have what it takes to put California back on track.

Barbara Boxer has been working tirelessly to bring good jobs to our state and crack down on Wall Street corruption.

Under Jerry Brown's leadership, university tuition rates for

the University of California system were \$1,194 a year; today they are \$9,285 a year and rising. Students attending the Cal State system were paying \$441 a year in tuition; today they are paying \$4,827 a year and rising.

Democrats believe our state must make university and community college affordable for today's working and middle-class families.

We believe in rewarding hard work and expanding opportunities for all Californians in order to create stronger and healthier communities.

★ AMERICAN INDEPENDENT PARTY ★

The American Independent Party is the party of ordered liberty in a nation under God. We believe in strict adherence to written law. We believe the Constitution is the contract America has with itself. Its willful distortion has led to the violation of our Tenth Amendment guaranteed right to limited government—which inevitably requires oppressive taxation. Its faithful application will lift that burden.

Freed from the lawless oppression of Liberal rule, we may then compassionately and justly use our energy and ingenuity to provide for ourselves and our families. We will then establish truly free and responsible enterprise and reassert the basic human right to property.

American Independent Party
Nathan Sorenson, Chairman
476 Deodara St., Vacaville, CA 95688

We believe in protecting all human life however weak, defenseless, or disheartened; endorse the family as the essential bulwark of liberty, compassion, responsibility, and industry; and declare the family's right and responsibility to nurture, discipline, and educate their children.

We assert the absolute, concurrent Second Amendment guaranteed individual right to self defense coupled with a strong common defense, a common defense which requires a national sovereignty not damaged by imprudent treaties. We oppose all illegal immigration.

We support secure borders and immigration policies inviting the best of the world to join us in freedom.
